Subject: draft issue paper for Mary re: Biological Assessment pre-brief
Attachments: draft issue paper - biological assessment for 404 assumption.docx

Importance: High

Please see the attached draft briefing paper for tomorrow morning's pre-brief with Mary in preparation for tomorrow afternoon's meeting with Mary and David Ross regarding the Biological Assessment. I welcome any suggested edits (preferable to general comments) and in particular want your feedback on the highlighted areas on the 2nd page. To the extent possible, please provide your feedback by 2:30pm this afternoon. In addition, if you see any critical missing information please include that in your edits/comments. Thanks! Tom
